

THE WESTERN REVIEW

DRAYTON VALLEY, ALBERTA

VOL. II, NO. 9

March 2, 1966

PRICE 10¢

Dale Mastre, above right, receives the congratulations of Harry Zolmer who headed the Rotary Committee handling the Speech Contest.

Members of the Lionel Wood rink of Edmonton, winners of the Grand Challenge (Pembina Pipe Line Event) are shown above receiving the Pipe Line award from Howard Cathrea. They also won the Visitors Aggregate award and the MacCalder Construction Trophy presented by Bert Demers. In the photo from left to right are Howard Cathrea making the presentation; Lionel Wood, Eric Lefsrud, Ed Shalski and Bill Leisen.

Lionel Wood Rink Wins Top Prize In Bonspiel

Lionel Wood the big shot maker from Edmonton walked away with all the goods in the 64 rink bonspiel held at the Drayton Valley Curling Club over the past weekend.

Wood defeated Dr. H. Shimbashi in a match that saw Wood lay a six ender on the second end and still have last rock coming home three up.

The Rose family took home their share of the loot as Bill won the second event and son Norman took the third.

Winners of various events are as follows: Visitors Aggregate - Lionel Wood, Edmonton; Local Aggregate, Dr. H. Shimbashi. Pembina Pipeline Event - 1st, Lionel Wood, Edmonton; 2nd, Dr. H. Shimbashi; 3rd, Dave Gerlach, Stettler and 4th, Jim Crough. Drayton Valley Hotel Event - 1st, Bill Rose, 2nd Kevin Goble; 3rd Simpson Sears, Edmonton; and 4th, Ken Gillis. Eskimo Fracturing Event - 1st, Norm Rose, Sedgewick; 2nd, John Matt; 3rd, H. Sluchinski, Alder Flats; 4th, Al Young, Cynthia. Redwell Servicing Event - 1st, Red Mattoon; 2nd, Tarrabain, Alder Flats; 3rd, Adrian Meier and 4th, Don Hudson, Hinton. Roses Well Service Event - 1st, David James, 2nd Wayne McLaren, Calgary; 3rd, Al Casey and 4th, Ross Campbell, Evansburg. Janzen's Auto Body Shop Event - 1st, Les Wall; 2nd, Bert Demers; 3rd, Roy Sired and 4th, Hayduk, Alder Flats.

APPLICATIONS FOR C.D. COURSES

Applications are still being taken for civil defence courses in Rescue, Home Nursing and First aid.

Anyone interested in the rescue course should contact Al Miles at 542-3326, those interested in home nursing or first aid please get in touch with Mrs. Palmer at 542-3704.

The four candidates in the right they are: Dale Mastre, Lorna Rotary-sponsored speech contest Lambert, Leona Kruger and Albert are shown above. From left to Summers.

Dale Mastre Wins Trip To Ottawa

At last Wednesday's meeting of the Drayton Valley Rotary Club four students from Frank Maddock High School took part in a speaking competition to decide the winner of a trip to Ottawa under the club's "Adventure in Citizenship" program.

The four finalists, who were determined by the high school judging staff on the basis of academic standing and ability were Leona Kruger, Lorna Lambert, Dale Mastre and Albert Summers.

They were required to address the club on the topic of choosing a career with Dale Mastre declared the winner by the panel of judges which included Rev. G. Ingram, J. Mosdell and S. Moore.

The winner will receive

as his prize a trip to Ottawa later this year with a large number of other young people from across Canada. The program provides an unique opportunity for young people to visit the capital where a large number of tours and visits to places of interest have been arranged.

They will have the opportunity of meeting political leaders, visiting the House of Commons, the Royal

Mint, the Research Council and several other points of interest.

During their stay in Ottawa they will be billeted in the homes of Rotarians.

Six Businesses Burglarized

A rash of break-ins occurred in Drayton Valley in the early hours of last Tuesday morning. Six local business places were victimized including Valley Tire, Anchor Construction, Shell Service, Double S Farm Supply, Oil King Motors and Mayhew Motors.

Police Chief, Al Miles, stated that cash was apparently the objective of the burglars with nothing else reported missing. Small amounts of cash, he said, was all that was taken from any of the business places hit.

Meeting Sets New Record

A new low record was set in Drayton Valley Monday evening when no one turned up for the annual meeting of rate payers.

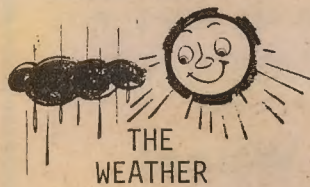

In the absence of an audience of rate payers, Town Council reviewed activities in the past year. A review of the past year's activities by W.G. Johanneson is found on page 9.

Basketball Play-offs

It's play-off time tonight, Wednesday, March 2nd.

All parents and interested spectators are urged to come out and watch the Junior and Senior High School Boys Basketball teams in action. The Warburg teams will be on hand to put up a fight in the home and home, total point series.

Come out and root for the home teams -- give the boys some vocal support.

Klondike Kampers Karnival Planning Underway

Preliminary plans were made at a meeting Monday evening for this year's Klondike Kampers Karnival. The meeting, held in the Recreation Room in the Town Hall, was attended by heads of various KKK committees and chaired by Keith Peterson who is in charge of the event for the Chamber of Commerce.

Al Braden, president of Drayton Valley and District Chamber of Commerce reviewed last year's show and discribed events that led to the undertaking of the venture

It was the Chamber's intention, he said to establish the event and then have it handled by an organization such as an Exhibition Board. Under the circumstances of last year's financial loss, he felt it would be necessary for the Chamber to continue sponsorship of the event for another year or two.

The work of various committees was outlined and several persons appointed to serve. Among those now heading committees are:

S. Moore and J. Bright, parade; Peter Jacobs, advertising; Jack O'Rourke and Barney Germaniuk, stage show; Al Braden, grounds; Karl Degen, 4-H participation; and Mike Gormley, raft race. Heads of a number of other committees are yet to be named.

Among other events in the planning stage are down town entertainment, a beard and moustache contest, jaycopter rides and the possibility of a fly-in breakfast. Also discussed were midway plans, billeting of visitors, arranging a baby sitting set-up, a dance-down town and many other activities concerned in the overall picture.

A more definite picture of forthcoming plans is likely to be available following the next meeting to be held shortly.

In the past a number of people have indicated their willingness to help in promoting the event and anyone who would like to volunteer their services would be welcomed. Anyone who would like to help, and there are lots of jobs, is asked to phone Keith Peterson at 542-3321.

The Salvation Army annually provides nearly two and a quarter million meals and one and a quarter million beds for needy men.

Linda Astle and Linda Hienecker go through a practice session for their comedy routine in the forthcoming ice carnival.

Skaters Prep for Carnival

The Drayton Valley Figure Skating Club has feverishly been rehearsing for its performances during the Winter Carnival to be held on March 12th.

The Central theme of this show is "In Northern Woods," and opens with a number from the Northern Belles. Other groups participating are the Northern Lights and the Northern Sprites.

As well as a duet, trio and foursome, there are three girls doing solos. These are: Lynn Burrows, portraying Dawn; Linda McMorris, as the North Star; and Vicky Wardlow, enacting Twilight. The younger skaters will be doing a number entitled "Picnic Time", with various children dressed as fairies, flowers, bears and rabbits.

To add variety to the show there will be a comedy done by Linda Hienecker and Linda Astle. In addition to this a couple has been asked to come out from Edmonton.

The instructors and choreographers are Mrs. Barnes, Mrs. Suitor, Linda McMorris and Lynn Burrows.

Red Cross Canvass This Month

Canvassers in more than 300 of Alberta's smaller communities will be knocking on doors throughout March -- Red Cross Month -- to raise funds for Red Cross services.

In larger centres, where the Society raises funds in conjunction with united or federated appeals, promotional and publicity drives will be conducted.

The Alberta Division, Red Cross has set a campaign goal of \$530,306 for 1966. About 22 per cent of this is expected to be raised during March.

This money will be used to maintain such Red Cross programs as blood transfusion service, water safety service, Junior Red Cross, disaster service, international relief and services to veterans.

See those giant wide doors? Handi-Van is easy to load and unload. Two curbside doors may be specified, and then there are a number of extra window combinations available.

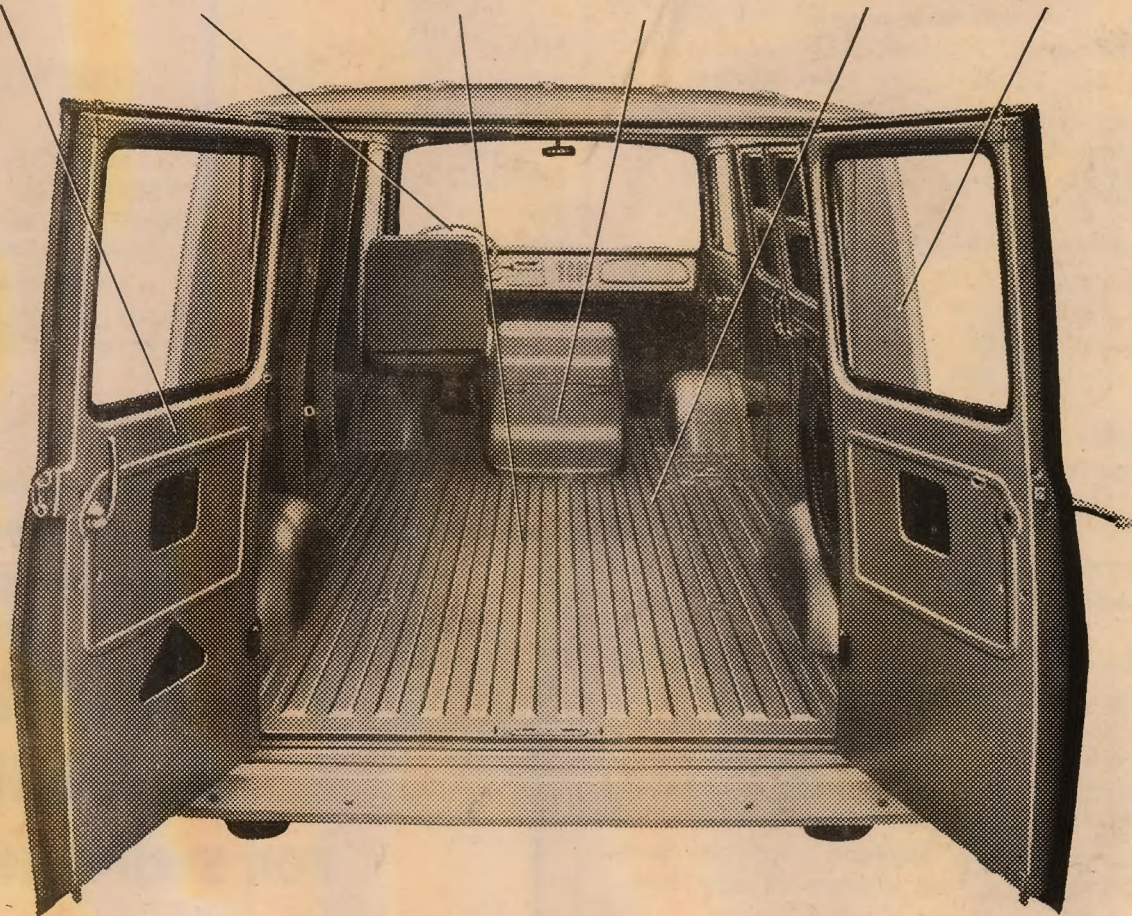

Handi-Van can turn in a 35.5 foot circle. Lets you scoot out of packed traffic and deliver your goods where and when you promised.

Look at all the space. Handi-Van measures 211 cu. ft. inside. That will hold up to a ton of payload. Loadspace length from engine housing back is over 92 inches.

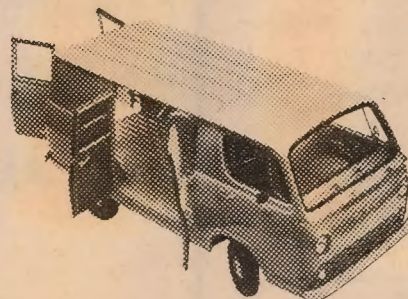

The engine is a 120-hp engineering gem. And if you want more muscle, you can specify a 140-hp workhorse. Powerglide is available too.

The metal floor is built to shrug off abuse from 'most any kind of load. In fact, it's a heavy duty floor at no extra cost.

Handi-Van's body and frame are unitized. And the heavy-gauge steel has extra resistance to corrosion, giving you longer service.

**You can see how great Handi-Van is from the back.
But the most important thing is on the front.**

It's that GMC nameplate that makes the difference. Not the plate itself of course, but what it represents. GMC has a reputation for Engineering Leadership. For instance: realizing most Handi-Vans would be city-operated and subject to road moisture and salt, GMC engineers started at the bottom. Sheet metal in exposed

areas is first galvanized, then covered with aluminum paint, phosphated... then, after all that, undercoated! No wonder Handi-Van stands up so well under the worst a Canadian winter has to offer. And no wonder GMC has earned that reputation for leadership. When you're thinking vans—think Handi-Van by GMC.

Editorial — — Comment

Man And His Works

A few years back many people looked askance at weather conditions and blamed them on "those damn atom bombs." Scientists were not impressed and generally shrugged off the suggestions.

However, in recent months some scientific support for the layman's viewpoint has come from Dr. A.B. Meinel of the University of Arizona and Dr. Walter Metschfeld, head of McGill's Meteorology Department. Both have advanced theories that relate nuclear explosions to weather conditions.

A small victory for the uninformed who by intuition have reached conclusions in the past that have later held up in the light of scientific knowledge.

As recently as the past week another layman's theory on weather came our way from a Calgary man. Calgary, famous for its chinook, has not had a good one for two years, he said. The cause, he stated flatly, was the earth quake that struck Alaska two or three years ago.

And perhaps he's right. Weather conditions depend to a large extent on ocean currents and if they are disrupted by a mighty upheaval of the type that struck Alaska, why couldn't it have had a bearing on the type of weather Calgarians are accustomed to enjoying?

Getting back to man and his works in the world -- we have pillaged the forests and fields, befouled the air, wasted the national resources, polluted the streams and are now monkeying with the weather. On top of all this in our age of enlightenment we stand poised on the brink of blowing humanity from the face of the earth.

The dinosaurs, with pea-sized brains to control their mammoth bodies and apparently without any thinking ability whatsoever, walked the world for 160 million years. Mankind, with his superior thinking ability is likely to last a minute fraction of that time unless something happens soon to cause a radical change in the course we are now following.

Profits are the key to economic growth because they're the driving incentive behind the efficient use of our production resources.

Someone must provide the tools we need to produce and to remain competitive. Someone must furnish the money to hire the skilled employees and the capable management we need to run our companies. And in our economic system, all of this money is made available by people who save their money and invest it with the idea of earning a profit.

Buck Creek News

Mrs. Gladys D. Stec, Correspondent.

Mrs. Ruth Gardner passed away February 16th in the University Hospital, Edmonton. Mr. and Mrs. Gardner have resided in the Buck Creek district for the past 12 years. Burial took place at Didsbury, Alberta. We would like to extend our sincerest sympathy to Mr. Clint Gardner, and friends of the family.

Congratulations to Mr. Ralph Lambert of Buck Creek. Ralph attended the \$20,000 Norwood Legion Bingo in Edmonton and returned home with \$10,000.

The whist drive held at the hall on February 19th was a success. Prizes went to Mrs. Tom Bevan (ladies' high), Mrs. Sheila Roos (ladies' low), Mr. Buster McDonald (men's high) and Dennis Steffenson (men's low). The next whist drive will be held at the hall on March 5th.

The Lindale R.E.A. meeting will be held at the

community hall on March 12th beginning at 2:00 p.m.

We are sorry to hear that Mr. Thorton Larson was a patient in Breton Hospital recently.

Rev. Strachan of Drayton Valley will conduct church services in the hall, Thursday, March 3rd at 8:00 p.m.

We are glad to hear Mr. and Mrs. Jim Mussell have purchased a farm North of Buck Creek. Jim is employed with Goliad.

Expo will open April 28 and close six months later on October 27.

Declining Dairy Industry Faced With Problems

DIRECTOR TELLS
DAIRY CONVENTION

Canada could be faced with insufficient milk to meet domestic requirements and to maintain normal exports if the number of dairy cattle continue to decline.

In a recent talk at the Alberta Dairy Farmers' Convention, D.B. Goodwillie, Director of the Dairy Products Division of the Canada Department of Agriculture, reported that Canadian milk production in 1965 was the lowest it has been for five years, despite the fact that production per cow increased during this period.

The prairie provinces, which have always been net exporters of dairy products in the past, imported butter for the first time in 1965. National butter production declined by 15 million pounds and consumption exceeded production for the second consecutive year. According to Mr. Goodwillie, last year's national butter deficit was 20 million pounds.

While Canada's milk production declined in 1965, world production increased by 2 per cent. Mr. Goodwillie pointed out that France, Britain, and Venezuela, all importers of Canadian dairy products in the past, are rapidly becoming self-sufficient in these products.

Alder Flats Beef Club Plans 'Spiel

The Alder Flats Beef Club held its regular meeting February 11th. Seventeen members were present to arrange a 4-H curling bonspiel on February 26th at the Buck Lake Curling Rink. The next meeting will be held on March 11th.

last year, France placed large quantities of dried milk powder on the European market and Britain produced a surplus of butter.

Canada's dairy industry seems to be faced with two alternatives. It must either expand production to supply growing demands resulting from a national population increase, or it must resort to importing dairy products from areas which have lower production costs.

Convictions Obtained for Livestock Mistreatment

One hundred and eighteen warnings were issued to Live-stock producers for mistreating their animals last year by the Alberta Livestock Protective Society. After repeated warnings, three summons were served and convictions were obtained in each case.

The warnings were issued for such infractions of the law as over-crowding, failure to sand and bed trucks and rail cars, failure to provide protection against extreme cold, lack of necessary partitions and faulty equipment.

Inspections involve trucking and shipping practices as well as yarding and general handling methods.

Operating on grants from the Alberta meat packing companies; the Edmonton, Calgary, and Lethbridge public stockyards; the Livestock Commission companies and the Alberta Department of Agriculture, the Society has greatly contributed to the high standard of livestock handling practices which prevail in this province.

HIGH SCHOOL NOTES

The Career Night which was held at the Frank Maddock High School, February 16, 1966 may be termed highly successful. The Student Union would like to extend their thanks to the Home and School Association for all their help in making this event a success. A marvelous display of school spirit was evident in the eager manner in which the students donated cookies and cakes for the lunch, and their help in introducing the speakers and serving the lunch.

Prior to the Career Night a banquet was held for the speakers by the Home and School Association. The Student Union would like to also thank the speakers for giving their time and effort for the presentation of the Career Nights Speeches which have likely been great helps to many young people contemplating a career choice.

During the week of July 3rd to 8th a Student Union Workshop will be held in Edmonton. A representative from each school is to attend the workshop. The workshop is to help develop leadership qualities in the delegates and to help them help the school activities become more successful. Leona Kruger, the treasurer of the Student Union has been selected to attend.

TOWN SECRETARY REPORTS

Town's Past Year Reviewed

During 1965 the Town realized \$435,116.03 in Revenue and had expenditures of \$440,093.79 in the General Revenue Fund, thus ending this year with a deficit of \$4977.76.

In the Water Fund the Town had revenues of \$105,456.87 and expenditures of \$98,019.58, leaving a surplus of \$7,437.29.

By netting both funds we find that in both operations we managed to salvage a surplus of \$2459.53.

But the above is only a part of the story of 1965's Town operation. During 1965 we added assets of \$238,365.78 comprising: Town Hall improvements - \$5,298.69; Police & Fire Dept. Equipment - \$3,813.77; Paving Streets, Curbs and Gutters - \$220,971.97; Paving at Swimming Pool and Parks Improvements - \$2,067.55; Borrowings Unexpended - \$6,213.80, making a total of \$238,365.78.

The amount of \$238,365.78 was financed by General Revenue Funds in the amount of \$14,408.45; by debenture borrowing in the amount of \$109,300.00 from Alberta Municipal Finance Corporation; and the amount of \$83,964.17, and \$2,807.65 from unexpended balance from previous years. This then means that of the \$238,365.78 worth of assets added during 1965 only \$193,192.51 worth had to be paid from borrowings leaving the balance of \$45,173.27 to be paid for outright by General Revenue Funds and Federal Grants.

It is to be noted that our Real Property Taxes reached a new high of \$235,636.86 and the Business Taxes declined by about \$300.00 to give us a total tax levy of \$255,405.00. This, however, only represents a little more than 60% of our total revenue and it is to be hoped that as the years go by the continuing development will increase our tax assessment portion in relation to other revenue and bring us into a more stabilized revenue situation.

Special improvements levies in the amount of \$65,056.31 are high; - however, when you consider how many miles of pavement, sidewalks, curbs and gutters along with the water and sewer services that have been provided in the relatively short life of our town, it is not surprising. I venture to say that our town surpasses most in Canada today of similar population -- for the services and conveniences provided. This situation is good in that it promotes progress and attracts trade, settlers and visitors.

The Town continues to foster a Recreation Program that it hopes will meet the leisure and cultural require-

ments of the Community. There has been some disappointment in the participation of these programs by our youth but to some degree we seem to be going through a cycle of low sports interest. The Council and Recreation Board have and still are working hard on a Recreational Policy for the Town to outline more succinctly the whole plan for Recreation. With the acceptance of this policy it is to be hoped Recreation will gain momentum and interest in our Community.

During the year just passed we increased our investments by purchasing debentures in the amount of \$83,000.00 thereby cutting our debt charges by the interest realized.

Also we increased our reserve for uncollectable taxes by \$7500.00 during the year

and it now stands at \$19,329.59 which is a very healthy position in which to be.

The Water Fund Remained steady during 1965 providing revenues of \$63,747.46 in billings and \$39,354.53 from its portion of the frontage levies and \$2,354.88 from other sources making a grand total of revenue of \$105,456.87. To offset this we had expenditures totalling \$98,019.58 leaving a surplus for the year in the water fund of \$7,439.29.

Although building activities in the Town took a sharp drop during 1965 we can still look forward to continued expansion for the future. Our district is growing and with cooperation between business and local government we should reap the benefits of this growth.

Evansburg News

Mrs. Bruner, Correspondent

Well, if it's not one thing to beef about, it's another. Now that the weather is not acting too far from normal, and ceases to be a conversation tidbit, the flu takes its place. Several residents from in and around the village have put in their time feeling terrible with the flu bug, including this correspondent who is suffering at the present time.

The Senior basketball teams journeyed to Edson recently where the boys were defeated but the girls were victorious.

A farewell party took place at the Legion Hall to bid farewell to a popular couple, Mr. and Mrs. Frank Muldoon who have moved to Edmonton. Mr. Muldoon used to own Muldoon's store in the upper part of the village before ill health forced him to sell. He has been a semi-invalid for several years now. We will miss Mrs. Muldoon's cheery help at the Public Health Clinics for pre-schoolers.

The students from the Junior-Senior High School

In The Legislature

By Mrs. Cornelia R. Wood, M.L.A.

Following opening ceremonies on Monday afternoon of the first full week in the Legislature, Mr. Speaker asked the members to pay silent tribute in respect of His Honor Lieutenant-Governor Paul Comtios, who had lost his life early that day in a fire destroying his residence in Quebec City.

Mike Maccagno, leader of the opposition led off in the debate on the Speech from the Throne. He found fault with the Great Canada Oil Sands development at Fort McMurray in only employing a few district people and

held their annual tobogganing party with one injury marring the event. Terry Curran and his fractures are resting in the hospital at Drayton at the time of writing.

Heard among some of the women is, "How is your Klondike Costume coming along?" Don't forget to relive the past and see the costume creations on March 4th and 5th at Wildwood.

criticized the over-crowded conditions in the schools. He moved the first Want of Confidence in the Provincial Government that has been moved in 7 years. The motion stated that nothing in the Throne Speech mentioned the 1966 federal tax rebates to Utility Companies and also said nothing about solving the over-centralization of schools. No debate took place on the non-confidence motion and it went down to defeat 50 to 3 when the vote was taken.

The members from Edmonton, Calgary and Red Deer gave great praise for the proposed Ministry of Youth and foretold that leaders in every strata of life would emerge under this program for Youth.

The help to be given to the Foundation Program amounting to over \$20,000,000 was welcomed by several speakers and the Medicare Plan with its expanded benefits and increased subsidies to help lower income bracket families was most acceptable. Other topics in the Throne Speech dealt with by the speakers during the week were the expansion of the ARDA program and proposed legislation enabling municipalities to participate in preventive welfare services with some provincial welfare assistance. Pollution in the Bow River was abhorred by one speaker and he urged Hon. Dr. Ross to do something about it, especially by having signs put up along the highway to prevent people from using the water of the river which runs alongside the Banff-Calgary Highway.

A number of speakers looked forward to the Human Rights Bill mentioned in the Throne Speech. Along with 20 other bills it was given its first reading on Thursday afternoon. All the bill does is try to discourage certain discriminatory practices and establish procedures for dealing with specific cases of discrimination in places where the public is customarily admitted like restaurants, shops, hotels, etc. because of race, religious beliefs, color, ancestry or place of origin.

Tuesday and Thursday being Private Members Days were spent dealing with four resolutions brought in by the opposition and one by E. Gerhart (S.C. member for Edmonton-North West.) The one asked for a bill, "The Young Athletes Protection Act" aimed at the preservation of the rights of young athletes. Another resolution asked for daylight saving time, giving any city, town, village, municipal district or county the right to opt out in event that they so desire as indicated by a majority vote of their respective councils. This motion was amended asking that a plebiscite be held province-wide and no opting out if the majority passes it.

The next resolution asked that local authorities provide for fluoridation of the communal water supplies when the desires of the citizens are indicated by a simple major-

ity in a plebiscite. This was held over along with one made by W. Switzer (Lib. Edson) urging the government to bring in necessary amendments to permit citizens to make wine.

Thursday afternoon E. Gerhart (S.C. Edmonton North-West) brought in a resolution asking that the Legislative Assembly urge the Lieutenant Governor in Council to request the Governor in Council of Canada to issue the Proclama-

tion provided for in section 95 (2) of the Indian Act giving the Indians of Alberta liquor privileges. The debate on the resolution was adjourned by J. Landeryou (S.C. Lethbridge).

The debate on the Throne Speech continues on Friday afternoon.

Last year the Salvation Army in Canada provided shelter for 1,157,000 homeless and unattached men.

NOTICE

IN THE MATTER of the Plebiscite required to be held in connection with the plan to establish an Alberta Broiler Marketing Board.

Every producer who marketed a minimum of 2,000 broilers through commercial channels during the twelve month period from July 1, 1964 to June 30, 1965 is eligible to vote.

New producers will not be eligible to vote unless they had started construction on production facilities prior to June 1, 1965, and the first crop of broilers was marketed from such facilities prior to August 31, 1965.

Every producer who is eligible to vote and who has not already registered, must register if he desires to vote as set out in Order in Council 296/66. Registration forms are available at any District Agriculturist's office or from the office of the Marketing Council and must be in the hands of the Returning Officer by March 18, 1966.

THE WESTERN REVIEW - Drayton Valley, Alberta - March 2, 1966 - Page 11

Dr. and Mrs. R.M. Findlay have as their guests Dr. Findlay's parents, Mr. and Mrs. R.E. Findlay, formerly of Timmins, Ontario. Mr. and Mrs. Findlay, Sr. have been travelling since his retirement in September and plan to leave this week for Mexico via the Vancouver and California route.

Residents are invited to submit items of local interest for inclusion in the above column. Anything concerning the comings and goings of local people is welcome.

To submit items phone:

THE WESTERN REVIEW - 542-3425
Mr. or Mrs. R. Smith - 542-3036
Mrs Doreen Harrison - 542-3474
Mrs Yvonne Yurchak

Mr. and Mrs. Les Brown, Mrs. and Mrs. Bob Mayhew and Mr. and Mrs. Roy Burrows attended the ESSO annual convention held in the Macdonald Hotel on Monday.

Mrs. N. Starman is at present visiting with her sister and mother-in-law, Mr. and Mrs. W. Kopperud of Leroy, Saskatchewan. While there

she will attend the wedding of her nephew.

Mr. and Mrs. Roy Burrows and family motored to Fort Saskatchewan on Sunday where they attended the official opening of the Riverside Nursing Home. The Burrows were impressed with the location, architectural design and furnishings of the new 66 bed home. While at the Fort they also visited with Mr. and Mrs. George Lecky. Mr. Lecky is the manager-director of the home.

The Drayton Valley Figure Skating instructors are to be congratulated for 99% of the students who took the exams passed. Miss Lyn Burrows and Miss Linda McMorris instructed the senior group while Mrs. M. Barnes and Mrs. P. Suitor taught the ten and under group

Basketball Play-offs

The final standings of the Senior Boys High School Basketball league is as follows:

	Win	Losses	Pts.
Thorsby	6	2	12
Drayton	5	3	10
Warburg	5	3	10
Breton	4	4	8
Winfield	0	8	0

On Wednesday evening (tonight) at 8:15 Warburg and Drayton Valley will meet in the first of a home and home, total point series for the semi-finals. A return game will be played Friday at Warburg. The winner of this event will play Thorsby for league championship, in a home and home series.

The Warburg squad defeated Breton in a hard fought battle 42-41 to take the final play-off spot.

On Wednesday evening at seven o'clock the Warburg and Drayton Valley Junior

teams will play the first game of a home and home, total point series.

The Thorsby and Warburg girls will meet in home and home total point games for the league championship.

Ladies Curling

With the men's bonspiel holding the spotlight over the past week the ladies club has little to report.

Five local rinks attended the Seba Beach Bonspiel. Fay Shearer's rink finished in the prizes in the 2nd event. A good time was reported by all.

Any non-members wishing to curl in the Ladies Open bonspiel on March 18th, 19th and 20th are asked to contact Fay Shearer at 542-3502.

Life Insurance Firm Now Open

Calgary's first life insurance company announced recently it is officially in business.

Rocky Mountain Life Insurance Company has been licensed and selling policies since January 3rd said James E. Wood of Calgary, president.

Mr. Wood said policies worth \$4.5 million have already been sold through the company's offices in Calgary, Red Deer and Edmonton.

He said the response from shareholders had been exceptional.

The company's first issue of shares totalled 55,600, worth some \$1.1 million. These shares were sold at \$20, mainly by directors of the company; and a recent sale through an investment broker traded at \$25.

Rocky Mountain currently employs 15 sales people and

an administrative staff of five, all experienced.

Mr. Wood said price of insurance through Rocky Mountain is competitive with the lowest rates previously available.

Members of the board include: Mr. Wood, president; Raymond J. Hannigan, vice-president; Garry J. James, agency vice-president; E. John Ewens, secretary-treasurer; Senator Donald Cameron, director; Hal L. Nutt, director; Harvey A. Reist, director; A. Ernest Pallister, director; and Harris Wood director.

Adrian Meier of Drayton Valley is a member of the Advisory Board.

OMISSION

The following names were inadvertently omitted from the list of memorial tributes to the memory of Clifford Allen of Violet Grove.

Mr. and Mrs. Lyle Beckett and family; and Mr. and Mrs. William Beckett.

Plan Show Auditions

Plans are now underway to produce an outstanding stage show for the Klondike Kamers Kamival to be held in mid-July. Mr. Barney Germaniuk, chairman and Mr. Jack O'Rourke, co-chairman have undertaken the organization of the show and are making plans for an audition of talent on April 18th in the Elk's Hall. It is hoped to stage a real bang-up show and an early effort is being made to recruit talent from Drayton Valley and neighboring points to ensure its success.

Organizers of the show are now searching for vocalists, Pantomimists, skit actors, orators, dancers, banjo players, stage hands or any other type of talent that could be adapted to this endeavor.

The type of talent is not restricted to that of a Klondike nature -- the show will be built around the particular talent available.

Anyone interested who could offer anything towards the production of a successful show is asked to contact Mr. Germaniuk at 542-3939 or Mr. O'Rourke at 542-3794 prior to March 31st.

ARE WE LUCKY?
OR ARE WE LUCKY?

These 3 portraits taken in direct color received Honor Awards at the 11th Annual A.P.P.A. Salon of Photography. The portraits were exhibited at the Macdonald Hotel February 21st - 23rd.

Portraits are of Mrs. Paul Machure (formerly Audrey Getzinger); Peter Burnstick; and Paul Burnstick and Son of Duffield.

These prints are presently being exhibited in our display window.

Pete Jacobs Takes Awards

The work of Pete Jacobs of Jacobs Studio in Drayton Valley was recognized last week at the annual meeting of the Alberta Professional Photographers Association.

Three of his color portraits were exhibited at the MacDonald Hotel on February 21st to the 23rd.

Portraits are of Mrs. Paul MacLure (formerly Audrey Getzinger); Peter Burnstick; and Paul Burnstick and Son of Duffield.

Some 6,000 professional photographers from all parts of Canada, the United States and abroad attend these conventions which offer a program of sessions dealing with the technical problems of portrait, commercial -- illustrative and industrial photography.

Following the convention P. Jacobs took a short course in color negative retouching, color print spotting, matt spraying and air brush techniques. This course was instructed by Mr. Wally West from Prince George, B.C.

A LOT OF FILL

Twenty-five million tons of fill were used to create Expo's island site. This is more material than was needed for the great pyramid of Cheops. The site, comprising a split of land jutting into Montreal Harbor, and two islands, covers 1,000 acres. Although in the middle of Canada's greatest river and adjoining the St. Lawrence Seaway, the site is only ten minutes from downtown Montreal.

D. V. Highlights

BY MRS. EDITH DEBY

Our hard working supervisor of recreation, Mike Gormley, always seems to have time for an extra task. Last week he spent three days in Edmonton at the Cultural Activities Branch of the Department of the Provincial Secretary compiling an analysis of swimming pool operations. Months ago Mike prepared a questionnaire and sent it out to fifty communities in the three prairie provinces. Many answered giving useful information. Then came the task of preparing the information for publication. This has been done and soon the Recreation and Cultural Development Branch will have the printed material ready for distribution.

Dale Mastre's many friends are thrilled that he has won the public speaking contest

sponsored by the Rotary Club. Dale won an all expense paid trip to Ottawa in May of this year. Congratulations to Dale, and to the Rotary Club for sponsoring such a very worth-while undertaking.

Mr. and Mrs. Alois Wagner leave shortly to make their home in Calgary. Mr. Wagner has accepted a position with Western Co-op Fertilizers

Pretty little Terry Durham will represent Drayton Valley in the Wildwood Carnival Queen Contest. Best wishes for a win, Terry.

F.U.A. MEETING

Regular meeting of the Drayton Valley local of the F.U.A. will be held in the Town Office at 8:00 p.m. on Wednesday, March 9th.

Shown above, the Roses Well Service Trophy is being presented by Bill Rose to Lew Cameron. Other members of this rink are, from the left, Bill James, Joe Davis and David James.

Shown above, the Janzens Auto Body Trophy is being presented by Dr. H. Shimbashi to Les Wall. Other members of this rink are, from the left, Renie Belva, Ernie Zacharuk and Jerry Solomon.

Shown above, the Local Aggregate Trophy is being presented by Niel White to Dr. H. Shimbashi. Other members of this rink are, from the left, Bill Sware, Bert Telford and Al Braden.

Meet Your Neighbors Night

The U.F.A. Co-op "Meet your Neighbour Night" held on February 25th was attended by some 300 people, from Berrymoor, Carnwood, Drayton Valley, Evansburg, Lodgepole, Tomahawk and surrounding districts.

After movies, Mr. Ewen McDonald of Alix, Alberta member of the Board of Directors for U.F.A. Co-op in this area gave an interesting talk on co-operatives.

Winners of the door prizes were: Mrs. Darlene Smith, Drayton Valley - Steam Iron; Mrs. Don Pipke, Rocky Rapids, Cannister Set; Mr. Jay Hazzard, Drayton Valley, 5 gals. of oil; Mr. Bud Sullivan, Tomahawk, 5 gals. of oil; Mr. Otto Reich, Tomahawk, 35# of grease. Winners are asked to pick up their prizes at the U.F.A. Co-op Bulk Plant office.

This was followed by a few words from Mr. Ian MacIntosh, the area supervisor, Alvin Gaetz, representative of the

information service, Roy Getson, delegate for this area and Mayor Pickup.

This was followed by coffee and doughnuts. Young and old then joined in for an enjoyable evening of dancing to the music of the Rivas.

Carnival Queen Contestants

Every year for the past ten years, the Boy Scouts of Drayton Valley have sponsored our Winter Carnival and have presented us with some pretty fine entertainment.

Again this year, on March 12th, our local talent will again do their best to entertain you, so lets all get out and give them them our support.

It wouldn't be a Carnival without a Queen, and this year the three girls shown below are the contestants.

Miss Carol Townsend, oldest daughter of Mr. and Mrs. W. Townsend, has been chosen by the Rotary Club to represent them in the carnival Queen contest.

Born in Edmonton on April 20th, 1947, Carol moved with her parents to Rocky Rapids at the age of six where she attended school and completed her education in Drayton Valley. Carol is now employed at the Valley Drug Store where she enjoys meeting and serving the public.

The oldest of five brothers

and sisters, Carol enjoys youngsters and has been a camp councillor and Sunday School teacher. For recreation music is high on her list with dancing, reading, cooking and playing the piano next in order.

Carol has plans to further her education and enter the field of nursing.

Rotarians urge your support of Carol to become the Queen of the Carnival.

The producing companies of the Drayton area have chosen

as their candidate for Queen, attractive Anne Oscar, daughter of Les and Inez Oscar of Drayton Valley.

Anne is one in a family of eight children and was born at Easyford seventeen years ago, where she lived until moving into Drayton with her parents in 1963.

The first three years of schooling were received at Easyford and the rest at Drayton Valley.

Anne is in Grade Twelve this year and has been active with the students union. Her hope is to go on into business school and then travel and see how the other half of this world lives.

As she likes meeting people and making new friends, I think she will enjoy all this world of ours has to offer. Prefers easy going, even tempered people and can't stand the sarcastic type with no sense of humor.

Lets all support this very pretty descendant of one of our pioneer families of the Drayton Valley area.

Anne Oscar as Queen will do a lot to any Carnival.

Valerie Krause, charming daughter of Mr. and Mrs. W. L. Krause of Drayton Valley was born in Edmonton 17

years ago and celebrates her birthday with Prince Charles on November 14th. She attended school in Namao and St. Albert before coming to Drayton Valley where she is a grade twelve student at Frank Maddock High School.

Val is a bowler and curler and plans to take a business course in Edmonton after completing high school.

We in the service and supply companies hope you will help us to give Val the support she needs to be crowned Queen of Drayton Valley's Winter Carnival.

For a change of flavor on your hot wholegrain cereal use corn syrup or honey.
